Supporting Two Ways Ministries

Two Ways Ministries relies on your prayerful and financial support to enable us to deliver the programs which give us opportunities to train the next generation.

We are keen to get the gospel out, to reach and train young adults. We do not charge for Forums, the Two Ways News podcast or the resources on our website, phillipjensen.com, we keep the prices as low as we can for our conferences.

Therefore we look to you, our friends,
for prayerful and financial support.

Two Ways Ministries Programs

Student Minister Training

While studying at Moore College, our Student Ministers play a crucial role in people work, as they help us run our programmes. They have a two hour weekly training session with Phillip, and a monthly one-to-one meeting with him as they train for a lifetime of thinking theologically about gospel ministry.

Launch Camp

Launch Camp is for school-leavers as they start their post-school adult life, challenged by the gospel to live for Jesus. It is a great time to meet other Christians especially those who may be going to the same TAFE or university.

Dates: 3 – 6 Feb 2025
