Freely Available – Supported by Generosity

Two Ways Ministries concentrates on the proclamation of the gospel by training a network of evangelistic leaders living for Christ.

We work to challenge, recruit and guide Christians into living for Christ in gospel service.

We believe that proclaiming the gospel of the death and resurrection of Jesus is best expressed by the faithful teaching of the Scriptures.

We seek to fulfil these aims through a number of programmes.

We look to our friends for continued support in prayer, promoting our programmes and providing the finances to make the gospel 'freely available – supported by generosity'.

Student Minister Training

While studying at Moore College, our Student Ministers play a crucial role in our people work, as they help us run our programs. They have a two hour weekly training session with Phillip, and a monthly one-to-one meeting with him as they train for a lifetime of thinking theologically about gospel ministry.

Launch Camp

Launch Camp is for school-leavers as they start their post-school adult life, challenged by the gospel to live for Jesus. It is a great time to listen to talks from Phillip Jensen and Richard Chin, and to connect with other Christians going to the same TAFE or university.

Dates: 26–29 Jan 2026 More info at phillipjensen.com/launch

Trajectory Weekend

Our Trajectory Weekend is where young adults think together about where we've come from and where we're going to, in the light of God's grand plan for the world.
