Freely Available – Supported by Generosity

Two Ways Ministries concentrates on the proclamation of the gospel by training a network of evangelistic leaders living for Christ.

We work to challenge, recruit and guide Christians into living for Christ in gospel service.

We believe that proclaiming the gospel of the death and resurrection of Jesus is best expressed by the faithful teaching of the Scriptures. We seek to fulfil these aims through a number of programmes.

We look to our friends for continued support in prayer, promoting our programmes and providing the finances to make the gospel 'freely available – supported by generosity'. The budget needed for 2026 is \$211,000.

Some of our past student Ministers

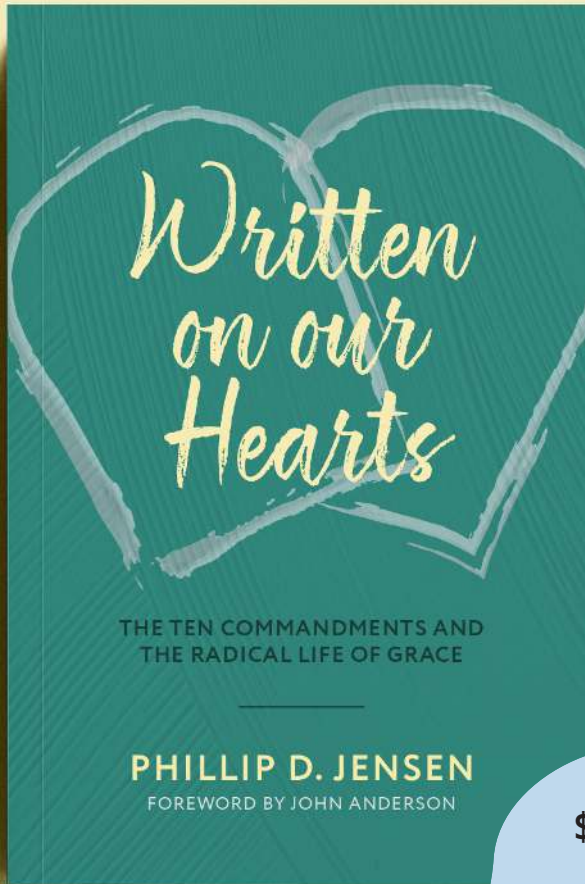

While studying at Moore College, our Student Ministers play a crucial role in our people work, as they help us run our programs. They attend and serve at church with Phillip, have a two hour weekly training session and a monthly one-to-one meeting with him as they train for a lifetime of thinking theologically about gospel ministry.

51 former student ministers now minister around the world.
